

## **CATEGORY 16 - ENTRY FORM**

### **BEST INTERNATIONAL RECRUITMENT AGENCY**

Open to all recruitment firms providing outstanding service through recruitment solutions to at least two countries outside the UK and Ireland (This includes the Republic of Ireland as it is often considered within the same territory as the UK by global and international firms). A significant proportion of your business must be derived from this activity: at least 25% of revenue must come from it or no fewer than 20 staff must be responsible for it.

The judges will aim to recognise agencies that add outstanding value to their business partnerships and relationships, not those who simply provide a solid professional service. They will also be looking for innovation, market insight and profitability.

Entrants will have been in business and started trading no later than 30 June 2020. Achievements outlined in the entries should have occurred between October 2022 and 31 December 2023.
