

CATEGORY 21 — ENTRY FORM

MOST EFFECTIVE BACK OFFICE OPERATION

Open to all back office operations of recruitment firms providing service in any sector. The back office operation may offer administrative and support services including accounting, compliance, contractor and/or temporary workforce care and payroll.

The judging will aim to recognise back office operations who add outstanding value to their firms, internal clients, the firms' contractor and temporary work forces, business partnerships and relationships through their effectiveness, and not those who simply provide a solid professional service. They will also be looking for innovation, initiative and contributions to their firms' profitability and business success.

Entrant companies will have been in business and started trading no later than 30 June 2020. Achievements outlined in the entries should have occurred between October 2022 and 31 December 2023.

Please provide the following information, using the headings below. The word count for each question is max 500 words unless stated otherwise.
